Updated CD-ROM Containing New Catalogs ... Now Available from Times Microwave Systems!

Times Microwave Systems has just released the latest edition of its popular **CD-ROM** which includes several new and updated brochures and catalogs including the newest edition of the **LMR[®] Wireless Products Catalog** which now includes **T-RAD[™]** leaky feeder cables, **LMR-lite**, **LMR Bundled Cable**, **SilverLine** and **TuffGrip** test cables and **SilverLine QMA Adaptor** kits.

The Times Microwave Systems **CD-ROM** features an easy-to-use menu for navigation within each catalog. There are also invaluable 'how-to' installation videos including several new ones to assist users of **LMR[®]** low loss coaxial cable products and two handy **calculators** for determining both coaxial cable attenuation and conversion of VSWR-to-return loss.
